Eligibility Requirements

ER:5

Relevant Facts or Questions Asked

A Procuring Entity sought guidance as follows:

Regarding the increased procurement method threshold outlined in Circular no. 5 dated June 9, 2025, are eligibility requirements necessary for procurements below \$3 million?

Advice

Under the Government of Jamaica (GOJ) procurement guidelines, suppliers must be eligible, that is, registered with the Public Procurement Commission (PPC) and tax compliant to participate in procurement proceedings that exceed the threshold for single-source procurement. As of the latest amendments, these thresholds are J\$3 million for goods and services, and J\$5 million for works.
